NEW SMART METERS IN NH SEACOAST STATE PARKS

NEW HAMPSHIRE STATE PARKS

PROVIDING MORE PAYMENT OPTIONS FOR OUR PARKING CUSTOMERS.

NH State Parks now has a new parking program offering more options to enhance the visitor experience. This includes upgraded pay stations and two mobile apps (ParkMobile and Park Smarter), all of which are **easy to use, safe, secure and reliable.**
Don't want to leave the beach to renew your meter? Use either mobile app to extend your time.

As part of this update the State will be transitioning to a pay-by-plate system, which means you will no longer need to return to your vehicle after completing your transaction. You will need to enter your license plate number at the kiosk–so write it down or take a picture of it before you walk away from your vehicle!

HOW TO USE

Look at the Pay Station screen and find parking rates, hours and other important information. If screen is dark, press any button and it will light up.
