

Odiorne Point State Park

Surrounded by beautiful stonewalls and overlooking the ocean, Odiorne Point provides a natural backdrop and intimate setting for your next special occasion.

Odiorne Point State Park offers one of the most beautiful and diverse natural settings along New Hampshire's coastline with 135 acres of rocky shoreline, sandy beaches, salt marsh, freshwater and salt ponds, dense forest, military and historical sites all connected by an extensive trails system.

This park can accommodate the largest of gatherings of up to 250 people.

Odiorne Point is the largest undeveloped stretch of shore on New Hampshire's eighteen mile coast.
