Coleman State Park

Camping Information

The park is located on Diamond Pond Road in Stewartstown, 12 miles east of Colebrook off Route 26. Coleman offers 22 sites and 4 camper cabins adjacent to Little Diamond Pond. The campsites can accommodate most camping equipment including self-contained RV's; however there are no hook-ups available. The campground is open for reservable stays from Memorial Day Weekend through October 15th. First come/first serve, walk-ins are welcome. ATV trails are accessible right from the campground.

Fully-furnished lodges are also available to rent within Coleman State Park. Each lodge is available year-round. One can hold up to 12 people and the others can hold up to 8 people each. The Marten Room located in the Main Lodge can accommodate up to 4 people.

Facilities, Services and Amenities

Coin-operated showers, flush toilets, a boat launch, and a dump station are available. Water is not available after mid-October.

Activities

The excellent trout fishing in Little Diamond Pond makes Coleman a great location for fishermen. It is also a good base for fall hunting. Other activities include hiking, canoeing, snowmobiling, cross-country skiing, snowshoeing and ATVing on nearby trails.

For Your Safety

Do not invite wildlife into the campground or to your campsite. Keep a clean site, dispose of food waste properly and secure all food and heavily scented items in your vehicle at night. Coolers left out are easily opened by raccoons or destroyed by bears.
