

New Hampshire State Parks Season Pass Renewal

- Pass can be renewed 90 days before expiration.
- Cost of renewal is the same as new purchase.
- New expiry date is one year from the date of previous expiry date.

Steps for customer renewal online:

Sign into your account at: [NH State Parks Reserve America](#)

This will bring you to **“Account Overview.”**

Select **“Park Passes”** from the side menu on the left, listed underneath **“My Account.”**

Passes assigned to your customer profile that are within 90 days of expiration, will have a **“Renew Pass”** link available.

The next screen will be titled, Discount Passes.

You will see two tabs, **“Active Passes”** and **“Expired Passes”**.

Select the **“Expired Passes”** tab.

Your expired pass(es) will display. Select the ones you want to renew.

Click the **“Renew Pass”** button.

Your selected pass(es) will display with **“Renewal”** next to them.

Now click **“Add to Cart.”**

The next screen is the Shopping Cart.

Your pass(es) will be in your cart with the total price.

The total price includes a handling fee of \$5.00.

Click the **Checkout Shopping Cart** button.

You will keep the same physical season pass card and expiration date will update within the season.
