

# Discover the Power of Parks Programs

## Native American Crafts

Make some crafts and toys traditional to those native to the area while learning the history and culture around them!

## Mountain Artists

Find out why artists have always flocked to the White Mountains and paint them for yourself.

## Animal Allies

Get up close with animal pelts to learn about our unique local mammals and how they were a part of the lives of people in the past!

## Native Seed Bombs

Make your own “seed bombs” to plant native wildflowers wherever you want!

## Star Stories

The night sky is filled with stories. Come out to where the stars are bright and clear to share these old legends and more.

## Moose on the Loose

Join Ranger Sam to learn all about moose: where they might live, and how to stay safe, and more!

## Leaf Peeping Expedition

Take a walk through the changing leaves while learning the science and stories behind these iconic New England views.

## Camp Like a Secret Agent

Can you camp and hike without leaving a trace? Come down and learn how, or just show off your sustainable camping skills.
