

Discover the Power of Parks Programs

Mountain Artists

Find out why artists have always flocked to the White Mountains and paint them for yourself.

Animal Allies

Get up close with real pelts to learn about our unique local mammals and how they were a part of the lives of people in the past!

Native Seed Bombs

Make your own “seed bombs” to plant native wildflowers wherever you want!

Butterfly Bounty Hunt

Join Ranger Sam on a search for the many butterflies out this season, plus any related wildflowers, caterpillars, or predators we might find!

Moose on the Loose

Learn all about moose: where they might live, how to stay safe, and more!

Plant Time Machine

How did people in the past live with all these plants, and how can they be a part of our lives today? Let's take a look at the food, medicine, and tools all around us!

Native American Crafts

Make some crafts and toys traditional to those native to the area while learning the history and culture around them!

*Presented in collaboration with
the Student Conservation
Association and made possible
by financial support from
Eversource.*
