

# Discover the Power of Parks Program- August

## Bigfoot Bingo

We could learn a thing or two from the elusive Bigfoot- see what you're already doing to help our planet!

## Geology Rocks

Find out why rocks rock and learn the geological history of the area.

## Animal Tracking

How can we tell if an animal has been around? Come learn different signs that animals leave behind and where to find them!

## Abenaki Food Table

Learn about some of the original cuisine of New Hampshire and discover some tips about eating local.

## Furry Friends of New Hampshire

Check out some touchable furs and bones from animals that are native to New Hampshire- see if you can guess what they are!

## Tree ID

Geez, what trees are these? Find out how to identify trees from leaves, bark and more!

## Pondemonium

Get a close look at critters that live in this lake - see if you can figure out what they are or what they'll turn into...
