

# Discover the Power of Parks Program- August

## Water Invaders

Let's do our part to keep pests and invasive species away from Lake Winnepesaukee! Learn about how to keep our waterways free from pesky critters.

## Island of Time: Discovering Abenaki Heritage on Lake Winni

Embark on a journey through the rich history of the Abenaki people on Lake Winnepesaukee. Ranger Mitchell will share the stories and traditions that continue to shape this lake's history and culture.

## Water Wisdom: Abenaki Fishing Uncovered

Join Ranger Mitchell as we talk about the Abenaki of New Hampshire. We'll discuss how the Abenaki mastered the art of fishing by using simple, effective techniques that everyone can learn!

## Duck Discovery

Dive into the fascinating world of ducks with Ranger Mitchell! Explore their unique habitats, discover what they eat, and learn about the ducks of Lake Winnepesaukee. Get ready to quack, waddle, and wander through the world of ducks!

## Recycle Right

Become a recycling champion with Ranger Mitchell! Learn how to reduce, reuse, and recycle common items and save a trip to landfill. Together we'll reduce waste while saving the environment.

## Weather Detectives

Step into the shoes of a weather detective and uncover the mysteries of the sky! Get ready to solve nature's weather phenomenon and become a true weather whiz!
