

Discover the Power of Parks Program - September

Bear Aware

There are Black Bears in Franconia Notch! Discover some facts about these fascinating creatures and safe practices while hiking and camping.

Cannon Summit Tour

Join Ranger Liz at the summit of Mt. Cannon to get oriented with some of the many peaks and valleys of the White Mountain range.

Cloud Watchers

Uh oh, those clouds are moving in fast. Learn to read the sky with Ranger Yasmine so that you can go about your day well informed even without service!

Color Crafters

Learn what makes nature so colorful and try to capture it in your very own artwork!

Creatures of the Night

Uncover some of the mysteries of nocturnal creatures, and how they help other wildlife thrive!

Fall Foliage Facts

Trees turn ablaze with vibrant colors but have you ever wondered why? Explore the science behind NH's bright foliage.

Fishy Friends

Trying to find trout? Let Ranger Yasmine help you spot some of these fishy friends while she shares some troutastic trout facts!

Founding Franconia

The Notch has a rich and storied history; familiarize yourself with Franconia's unique early timeline.

Fuzzy Friends

Come see and feel some of the critters that call Franconia home and learn how to ID them.

Franconia Folklore

Gather with Ranger Yasmine for some captivating camp tales about the great Franconia Notch and the people who protect it.

Glaciers: Movers and Shapers

Franconia Notch was formed by glaciers thousands of years ago! Join Ranger Liz at the Basin to investigate some of these exciting geological features for yourself.

Kagui? (*What is that?*)

As you travel in the historic homeland of the Abenaki people, learn some Abenaki place names!

Mighty Monarch Migration

Monarch butterflies are one of the only migrating insects in the world! Join Ranger Liz to learn more about their amazing journey

Moss Monsters

Tiny, but mighty, these fuzzy little guys are responsible for a lot of injuries. Learn how to stay safe on your hike along with some marvelous moss facts!

Nature's Artistry

Nature can make some pretty cool things. What do you see in Franconia's landscape?

Night Hike

Have you ever taken a hike after dusk? Join Ranger Liz on a guided trek up the Lonesome Lake Trail to explore unique sights, smells, and critters of the night.

Slithering Snakes

Do snakes give you the shakes? There's more than meets the eye when it comes to these scaly reptiles! Explore NH's snakes and their role in the environment!

Tree Detectives

Test your tree knowledge! Forests in NH host a vast array of different towering trees, get to know the ones that call Franconia Notch home.

Tree Timelines

Our forests are always changing; take a journey with Ranger Liz through the past, present, and future of NH forests.
