

Discover the Power of Parks Program- July

Summit Sights

Make the climb and find Ranger Kyle at the summit to learn more about the views and landmarks around us.

Take Stock before you Summit the Rock

Think you have what it takes to climb Grand Monadnock? Come find out if you have the 10 essentials of day hiking in your bag. Plus, learn about the HikeSafe program, a service designed to keep outdoor recreators safe and provide support if injured!

Preserve our Parks

Do you Leave no Trace? Explore our impact while traveling on the trails and learn how long common trash lingers after you're gone.

Roving Ranger – Trail Talk

Need a breather on your climb? Find Ranger Kyle on the trail and learn about how they were first blazed!

Become Bear Aware

Come learn about our favorite furry friends! Explore backpacking and camping techniques that help keep the bears and ourselves safe!

Fox Fanatic

What *does* the fox say? Join Ranger Kyle at the visitors center to see pelts and skulls and learn about New Hampshire's foxes.

Storms and Summits

Weather enthusiasts and novices unite! Learn what makes mountain weather both fascinating and frightening!

Into the Night

Experience the Gilson Pond Loop Trail (0.8 miles) in this guided hike. Search for critters active at dusk and learn about how humans adapt to night. A headlamp or flashlight is required.

AmeriCorps

Discover the Power of Parks Program- July

Monad-a-rocks

Learn about the unique rock formations of Grand Monadnock and chat geology!

Trailblazers – How a Trail is Made

Curious about the work being done this season on the White Cross Trail? Come to the Visitors Center to find out more about how trails are built!

Abenaki Campfire Stories

Come to Gilson Pond Campground and gather around the campfire. Hear some Abenaki legends and share some campfire stories of your own!

Star Party

Join Ranger Kyle at the Gilson Pond Campground field to stargaze and learn about constellations!

Self-Guided Hiking

Take a new kind of hike! Find Ranger Kyle by the Visitors Center, talk mountain history and pick up a self-guided hiking pamphlet.

Owl Prowl

Whooo's excited to learn about owls? Learn which owl species live in this part of the country, learn what sounds they make (and how to imitate them!), and go on an "owl prow!" in search of these feathered friends!

Going Batty

Some find them scary, others cute, but one thing's for sure: bats are amazing! Learn about bat species found in this area, the challenges they face, and how they hunt!

Wildflower Walk

Head to Rhododendron State Park for a guided wildflower walk (0.6 miles) among the blooming rhododendrons. Located at Rhododendron Rd, Fitzwilliam, NH 03447
