

Discover the Power of Parks Program - October

Summit Sights

Make the climb and find the Interpretive Ranger at the summit to learn more about the views and landmarks around us.

Take Stock before you Summit the Rock

Think you have what it takes to climb Grand Monadnock? Come find out if you have the 10 essentials of day hiking in your bag. Plus, learn about the HikeSafe program, a service designed to keep outdoor recreators safe and provide support if injured!

Preserve our Parks

Do you Leave no Trace? Explore our impact while traveling on the trails and learn how long common trash lingers after you're gone.

Roving Ranger – Trail Talk

Need a breather on your climb? Find the Interpretive Ranger on the trail and learn about how they were first blazed!

Become Bear Aware

Come learn about our favorite furry friends! Explore backpacking and camping techniques that help keep the bears and ourselves safe!

Fox Fanatic

What *does* the fox say? Join the Interpretive Ranger at the visitors center to see pelts and skulls and learn about New Hampshire's foxes.

The Moose is Loose

Join Ranger Andrew by the Visitors Center to learn about the habits of the moose!

Into the Night

Experience the Gilson Pond Loop Trail (0.8 miles) in this guided hike. Search for critters active at dusk and learn about how humans adapt to night. A headlamp or flashlight is required.
