

# Discover the Power of Parks Program- July

## Nighttime Friends

When people go to bed, many animals are just waking up! Learn about the animals that live here at Pillsbury that come out at night, and the special traits they have that let them thrive in the dark.

## Owl Prowl

Whooo's excited to learn about owls? Learn which owl species live in New Hampshire and learn what sounds they make (and how to imitate them!), Join Ranger Carolyn on an "owl prowl" in search of these feathered friends!

## Avoid Bear Scares!

Bears. They're all over the woods, in our park logos, and increasingly, in human neighborhoods. Learn some tips on how we can safely coexist with bears!

## Legends of the Abenaki

Hear authentic tales from the Abenaki, Miller's original stewards, and how the morals of these tales are still relevant today!

## Going Batty!

Some find them scary, others cute, but one thing's for sure: bats are amazing! Learn about bat species found here at Pillsbury, the challenges they face, and how they help humans!

## Pond Pals

Humans aren't the only ones who love swimming! Come learn about the various critters-from little snails and salamanders to great blue herons-that hang out around here too!
