

Discover the Power of Parks Program- July

Lore of the Lake

Ever wonder what this lake was like 50, 100, or 150 years ago? Who lived here, and what did they do? Come visit Ranger Carolyn to learn the lore of the lake!

Friends in the Water

Humans aren't the only ones who love swimming in the lake! Come learn about the various critters-from little snails and salamanders to great blue herons-that hang out around here too!

Shadows and Silhouettes

Even if a bird is high up in the sky, or hidden in the shadows, you can still identify it! Memorize the shapes and outlines of common birds, so you can find them on your walks!

Wildlife CSI

Who broke into the honey shed? And who chewed up the wood fence? Solve these wild crimes using clues like tracks and scat, and learn how to be an animal detective!

Minerals Rock!

New Hampshire isn't the "Granite State" for nothing! Come learn about granite, along with quartz, mica, and other rockin' rocks!

Avoid Bear Scares!

Bears. They're all over the woods, in our park logos, and increasingly, in human neighborhoods. Learn some tips on how we can safely coexist with bears!
