

Discover the Power of Parks Programs: August

Native American Crafts

Make some crafts and toys traditional to those native to the area while learning the history and culture around them!

Plant Time Machine

How did people in the past live with all these plants, and how can they be a part of our lives today? Let's take a look at the food, medicine, and tools all around us!

Camp Skills

Think you have what it takes to camp like a pro? Join Ranger Sam to test your knowledge or learn more about the skills and etiquette of sustainable camping!

Leave No Trace

Be the kind of person that leaves the woods as healthy as you found them! Learn to hike and camp without causing any damage.

Mountain Artists

Find out why artists have always flocked to the White Mountains, and paint them for yourself

Animal Allies

Get up close with real pelts to learn about our unique local mammals and how they were a part of the lives of people in the past!

Pitch Pine Expedition

Did you know White Lake is home to a unique ecosystem found nowhere else? Learn how to identify our one-of-a-kind pitch pines, plus any other tree!

Frog Folding Crafts

Make your own jumping frog toys using the art of origami! Plus, how to find frogs and other amphibians in White Lake or your own backyard

Frog Finding Expedition

Join Ranger Sam on a search for frogs and other amphibians around the

Native Seed Bombs

Make your own “seed bombs” to plant native wildflowers wherever you want!

Star Stories

The night sky is filled with stories. Come out to where the stars are bright and clear to share these old legends and more.

Moose on the Loose

Learn all about moose: where they might live, how to stay safe, and more!
