RE: Profile Lake Walkway Project

Dear Mr. Adams,

I am writing to provide NH Fish & Game's support for the Profile Lake Walkway Project proposed by the Old Man of the Mountain Legacy Group. We have reviewed the project with the Department of Resources and Economic Development through the State Lands Management Team process. While some impacts may occur, we understand the challenges of constructing an ADA compliant trail, as well as the fact that much of the proposed trail is immediately adjacent to the banking leading up to Interstate 93. After thorough review, Fish & Game concurs with the project without conditions. Feel free to contact me with any questions.

Sincerely,
