RE: JENNESS STATE BEACH BATHHOUSE REPLACEMENT, 2280 OCEAN  
BOULEVARD, RYE, SFMO # 3160075A BPW # 80877 Contract B

Dear Mr. Smith:

The architectural plans for the above project have been reviewed by Investigator Brian Thibeault of this office. At the time of the review the plans appeared to meet the requirements of the state laws relative to fire safety under the enforcement of authority of the State Fire Marshal. Please note, the review process did not include reviewing for compliance with N.F.P.A.70 the National Electrical Code.

Representatives of this office, in conjunction with the local officials, may conduct a final inspection. Additional in process inspections may occur at the discretion of the local officials. If the local authority conducts a final inspection, please ensure that this office receives a copy of the inspection results.

If you have any questions or need additional information, please feel free to contact Ron Anstey at (603)223-4289.

Sincerely,

Maxim Schultz  
Assistant Director
