#### **Your Rock Story**

We each have our own story. Now it's your turn to give one of our rocks a story. Pick your favorite and tell us:

- 1) How your rock was born?
- 2) How your rock spends its day?
- 3) Who their family is?
- 4) What your rock does for fun?
- 5) Anything else you want to add!

These could be great stories for your pet rock!
