

# Connecticut Lakes

## Natural Features

The property offers a unique opportunity for wildlife viewing and observation. Scenic vistas can be seen from the summit of Magalloway Mountain and the roadways.

### Garfield Falls

Located off Magalloway Road, a short hike leads to a waterfall located in a wooded area. The drive from Magalloway Tower parking lot will take one hour round-trip. Be prepared for gravel roadways. Please park in designated areas.

### Little Hellsgate Falls

Located off Magalloway Road, a short hike leads to a waterfall located in a wooded area. The drive from Garfield Falls parking lot will take one hour round-trip. Be prepared for gravel roadways. Please park in designated areas.

### The Canyon at Indian Stream Gorge

Located off Indian Stream Road, a short hike leads to the gorge, whose walls are 80 feet high. Be careful, the trail has steep drop-offs and slippery footing. The drive from the property boundary will take three hours round-trip. Be prepared for gravel roadways. Please park in designated areas.

### Magalloway Mountain Fire Tower

Located off Magalloway Road, a moderate hike up the trail leads to the summit of Magalloway Mountain and the fire tower. Great views of northern New Hampshire and the surrounding forest. The hike will take two hours round-trip. Please park in designated areas.
