

NH Recreational Trail Etiquette

General User Guidelines

Why is trail etiquette needed?

New Hampshire is one of the best places in the country to recreate. With a variety of ways to recreate, New Hampshire promotes sharing the trail with other users so that everyone can equally enjoy their experience. Trail etiquette is a tool to help inform other users of the courteous way to interact on recreational trails. This is not a complete list, nor are these rules or laws. When in doubt, smile and use common sense.

General guidelines for all users

- Be courteous of all other users regardless of their sport, speed or skill level.
- Keep pets under control.
- Enjoy and respect wildlife; do not disturb.
- Stay to the right and pass on the left when safe and appropriate.
- Train yourself and your animals.
- Be polite and a good steward of your recreational use; educate others.
- Travel at a safe and reasonable speed.
- Faster users yield the right of way to slower users.
- All users yield the right of way to horses and mushers.
- Users should be single file when in groups and approaching other users.
- Stay on trail, avoid trail widening when trail is wet/muddy and stay off trails during mud season.
- When parking, do not block gates, and park only in designated areas.

General guidelines for all users encountering equestrians and mushers

- When passing a horse or musher from behind, call out that you want to pass, and proceed slowly and safely.
- Speak in a calm tone to alert horse and rider/musher of your presence.
- Ask the rider and musher to advise you on passing and always proceed slowly around horses and dogs.
- Motorized vehicles should stop and wait for rider and musher to advise what to do next.
