

**2012 public comments on proposed Cannon / Franconia Ski Club lift, trail, snowmaking project @ Mittersill... received 09/20/12 - 10/20/12**

| Number | Name                  | City/State                  | Supp/Opp | Comments   |
|--------|-----------------------|-----------------------------|----------|--|
| 1      | John Williamson       | Not given                   | Unclear  | Supports T-Bar & clearing / training venue, opposes changes on Baron's Run       |
| 2      | Name Withheld         | Franconia, NH               | Unclear  | Every passholder should have been personally notified of plan & polled           |
| 3      | Maggie Merrill        | Franconia, NH               | Unclear  | Supports project in theory, asked for more concrete planning                     |
| 4      | Mark McSally          | Not given                   | Unclear  | Supports project in theory, but opposed if there's any increase in FSC usage     |
| 5      | John Gagel            | Sugar Hill, NH              | Unclear  | No comments re: project, commented re: snowshoe / skiing access                  |
| 6      | David Harris          | Not given                   | Unclear  | No comments, requested information   |
| 7      | Jami Vaughan          | Franconia, NH               | Unclear  | Several questions, no specific comments re: support / opposition                 |
| 8      | Sean Kinney           | Not given                   | Unclear  | No comments, requested information   |
| 9      | Terrence Hamilton     | Boston, MA                  | Oppose   | Opposed to snowmaking, widening, change @ Mittersill in general                  |
| 10     | Michael D'Allesandro  | Not given                   | Oppose   | FSC is too empowered at Cannon, giving up too much for the public                |
| 11     | Christopher Grondin   | Not given                   | Oppose   | FSC is too empowered at Cannon, giving up too much for the public                |
| 12     | Gary & Joan Way       | Bedford, NH                 | Oppose   | Too much change proposed, too expensive to operate, master plan is needed        |
| 13     | Ben Lefebvre          | Not given                   | Oppose   | Opposed to any snowmaking on Mittersill  |
| 14     | Allen Conaway         | Bristol, RI / Franconia, NH | Oppose   | Proposed enhancements may add too much traffic at Mittersill                     |
| 15     | Karl Lynch            | Not given                   | Oppose   | Likes Mittersill just the way it is now  |
| 16     | Tom Linnell           | Not given                   | Oppose   | Did not hear of public meetings, meager details, thus opposed to project         |
| 17     | Jeremy Clark          | Ashland, NH                 | Oppose   | Opposed to State operation of Cannon, opposed to project's impact upon public    |
| 18     | Nancy Beck            | Not given                   | Support  | Snowmaking at Mittersill needed  |
| 19     | Dale Edmunds          | Not given                   | Support  | Better training venue, better terrain availability, public safety enhancement    |
| 20     | Peter Thonis          | Franconia, NH               | Support  | Mittersill revitalized, long-term gains for NH, local economy, local homeowners  |
| 21     | Barbara Fay           | Not given                   | Support  | Better training venue, better access for public at Cannon & Mittersill           |
| 22     | Cory McPhee           | Not given                   | Support  | Wants to see the resort prosper, loves the proposed changes                      |
| 23     | Ronald Cole           | Not given                   | Support  | Wants to see Mittersill again provide economic impact                            |
| 24     | Steve Bosselman       | Franconia, NH               | Support  | Improvements will enhance the ski area and benefit the local economy             |
| 25     | Leslie Ganley         | Franconia, NH               | Support  | Plan accounts for needs and interests of stakeholders, full support given        |
| 26     | Johnathan Auerbach    | New Hampshire               | Support  | Next phase to further develop Mittersill is a grand slam that benefits everyone  |
| 27     | Joe Lahout            | Littleton, NH               | Support  | Benefit to local economy and New Hampshire ski industry                          |
| 28     | Bill Swaffield        | Wolfboro, NH                | Support  | Unprecedented gift, still natural and manmade, good race training, better access |
| 29     | Andy Smith            | Franconia, NH               | Support  | Good plan, State needs better infrastructure at Mittersill, good partnership     |
| 30     | Frank Valenti         | Plymouth, NH                | Support  | Good idea for training and better public access                                  |
| 31     | Greg Aprilliano       | Plymouth, NH                | Support  | Better access to Mittersill for FSC and public, economic boost to No. Country    |
| 32     | Carmen Burns          | Plymouth, NH                | Support  | Tourism boost for State of New Hampshire   |
| 33     | Barbara Robinson      | Franconia, NH               | Support  | Mittersill owner, good plan, meets all needs, full support, base lodge later?    |
| 34     | Jim Hall              | Not given                   | Support  | Reasonable plan, segregation of training and racing sounds great                 |
| 35     | Christina Valar Breen | Holden, ME/Franconia, NH    | Support  | Supports site plan, T-Bar, training venue, snowmaking, Mittersill reclamation    |
| 36     | Kathy Home            | New Hampshire               | Support  | Many questions, but supportive of the plan and revitalization at Mittersill      |
| 37     | Gary & Mary Porter    | Sugar Hill, NH              | Support  | Character & culture @ Cannon is racing, project is a great step to embrace it    |

**2012 public comments on proposed Cannon / Franconia Ski Club lift, trail, snowmaking project @ Mittersill... received 09/20/12 - 10/20/12**

| Number | Name               | City/State              | Supp/Opp | Comments   |
|--------|--------------------|-------------------------|----------|--|
| 38     | Chris Heberg       | Cranston, RI            | Support  | Great revenue opportunity with terrain expansion & training venue                  |
| 39     | Brad Whipple       | Sugar Hill, NH          | Support  | Great partnership, embraces alpine racing past & future, better access for all     |
| 40     | Bill Cashin        | Bedford & Franconia, NH | Support  | Good public/private partnership, sound plan, move forward                          |
| 41     | Paul Lefebvre      | Manchester, NH          | Support  | Originally opposed, now in support after seeing maps & FAQ sheet                   |
| 42     | Denise Cogswell    | Wolfeboro, NH           | Support  | Questions re: FSC usage, supportive of enhancement project as a whole              |
| 43     | Gregory Connolly   | Franconia, NH           | Support  | Moving FSC training & racing will benefit the general public, as will snowmaking   |
| 44     | Austin Smith       | Salem, MA               | Support  | Good for the town, the ski area, and the State, good for racers and public         |
| 45     | Jon Harrison       | Bedford, NH             | Support  | Drives jobs and the local economy, applauds FSC effort to assist Cannon/State      |
| 46     | James Cornell      | Sugar Hill, NH          | Support  | Fantastic idea, hopes all approvals are granted                                    |
| 47     | Jeff Randall       | Franconia, NH           | Support  | Great project for Mittersill, great to move FSC off of main mtn, good partnership  |
| 48     | Jonathan Hampson   | Peterborough, NH        | Support  | In favor of the project  |
| 49     | Frank Wilich       | Bethlehem, NH           | Support  | Great benefit to NH north country, great enhancement at Cannon                     |
| 50     | Robert Wilson      | Franconia, NH           | Support  | Positive impact, better access at Mittersill, local revenue boost, improvement     |
| 51     | Anita Galway       | Not given               | Support  | Any improvement to Mittersill-Cannon is welcome, great mission by FSC              |
| 52     | Paolo Wieser       | Campton, NH             | Support  | This is a no-brainer, has tangible benefits, better access to Mittersill, economy  |
| 53     | Hope Swift         | Mass / New Hampshire    | Support  | About time that we see Mittersill open 100% of the time, better for economy        |
| 54     | Fran Gillis        | Franconia, NH           | Support  | Endorses the plan for Cannon Mtn / Mittersill ski operations                       |
| 55     | Bill Irvin         | Windham, nh             | Support  | Urges the support and embracing of the proposed expansion at Mittersill            |
| 56     | Radu Florescu      | Franconia, NH           | Support  | Benefit to the ski area and community, sustains local economy & reputation         |
| 57     | Lori Ford          | Campton, NH             | Support  | Better access at Mittersill, two-mtn ski area, better for economy, better for FSC  |
| 58     | David Starr        | Franconia, NH           | Support  | Supports plan all the way, lives year-round, wants increased traffic flow          |
| 59     | Paul Martini       | Mass / New Hampshire    | Support  | Plan may bring New England, national, and international guests to Cannon           |
| 60     | Ellen Chandler     | New Hampshire           | Support  | FSC / Cannon great partners, good plan to enhance training opportunities           |
| 61     | Steve Monsein      | New Hampshire           | Support  | Great project for all in our community, bound to enhance economic activity         |
| 62     | Evan Granoff       | Not given               | Support  | Larger area will draw from a larger demographic, better lift access @ Mittersill   |
| 63     | Jackie Smith       | Not given               | Support  | This is a fantastic idea   |
| 64     | Mark Tarantelli    | Woodstock, NH           | Support  | I fully endorse the planned improvements to Mittersill, let's do this now          |
| 65     | Ivar Dahl          | Plymouth, NH            | Support  | Diversify, expand, and improve the offerings @ FNSP - helps everyone!              |
| 66     | Karl & Tina Virgin | Franconia, NH           | Support  | Favor opening up the Mittersill area to make it more accessible to everyone        |
| 67     | Matt Hillery       | Franconia, NH           | Support  | Incredibly positive step forward, FSC funding makes it a win-win                   |
| 68     | Stephanie Dodson   | Massachusetts           | Support  | I am in favor of the new racing and training facility at Mittersill                |
| 69     | Jody Lozeau        | Newmarket, NH           | Support  | Mittersill open consistently, embraces Cannon's racing history, economic gain      |
| 70     | Lisa Segal         | New Hampshire           | Support  | Snowmaking needed, exciting for Cannon, surrounding towns, and State               |
| 71     | Stuart Randall     | Franconia, NH           | Support  | Excellent terrain needs snowmaking, plan spreads racers & public out               |
| 72     | Jon Putnam         | California              | Support  | Great boon for Cannon and Mittersill to have both venues operating with facilities |
| 73     | Patricia Bottomley | Franconia, NH           | Support  | Expansion of great ski terrain & new lift will enhance both areas, wonderful       |
| 74     | Celeste High       | Not given               | Support  | Our 50-yr Cannon family is in full support of bringing Mittersill up to full speed |
| 75     | Bob Ganley         | Franconia, NH           | Support  | Excited about FSC working with the State to bring snowmaking to Mittersill         |
| 76     | Jim Hamblin        | Franconia, NH           | Support  | First class alpine racing venue, more accessible and safe facility for the public  |

| 2012 public comments on proposed Cannon / Franconia Ski Club lift, trail, snowmaking project @ Mittersill... received 09/20/12 - 10/20/12 |                    |                |          |   |  |  |  |  |  |  |  |
|---|--------------------|----------------|----------|---|--|--|--|--|--|--|--|
| Number  | Name               | City/State     | Supp/Opp | Comments  |  |  |  |  |  |  |  |
| 77  | Tom Trainor        | Franconia, NH  | Support  | The idea of a race venue and better public access at Mittersill is long overdue |  |  |  |  |  |  |  |
| 78  | Ken MacLeod        | Franconia, NH  | Support  | Raises the bar for both the free skiing and alpine racing & training at Cannon  |  |  |  |  |  |  |  |
| 79  | Brad Williams      | Norwich, VT    | Support  | Great opportunity for Franconia, for Cannon, and for the kids                   |  |  |  |  |  |  |  |
| 80  | David Hynes        | Rochester, NH  | Support  | Owner at Mittersill for 35+ years and have been waiting for something like this |  |  |  |  |  |  |  |
| 81  | Chester Thompson   | Franconia, NH  | Support  | Benefit to all skiers with expanded terrain and increased safety for everyone   |  |  |  |  |  |  |  |
| 82  | Barbara Langworthy | Franconia, NH  | Support  | Enthusiastic; good idea to move FSC activity off of primary slopes & add safety |  |  |  |  |  |  |  |
| 83  | Gerald Coogan      | New London, NH | Support  | CMAC member; I fully and wholeheartedly support these improvements              |  |  |  |  |  |  |  |
