

Discover the Power of Parks Programs

Creatures of the Night

Join Ranger Krystal to learn about popular nighttime creatures.

Insect Invaders

Learn more about invasive species and what we can do to protect our native ecosystem.

Get Crafty

Join Ranger Krystal for fun and games as we do craft and learn about the environment

Ponding

Let's discover who lives in our ponds, including micro and macro invertebrates

Star Gazing

Explore the night sky and learn more about stars with Ranger Krystal

Paws & Pelts

Stop by for a paw-some time learning about local animals!

Wonderful Waterfowl

Learn about ducks from tail to bill

Fungus Fun

Fungus, Spores, and more! Learn about popular New Hampshire Mushrooms.

Pollinator Power

Learn about how pollinators power our world!

Container Gardening

Make your own garden anywhere!

Trail Clean Up

Help us keep our parks clean!

Landfill Lake

Learn about how we can protect our waterways

Geocaching Hike

Explore the trails as we search and hide Geocaches

Noise Pollution

How much noise is too much?

Animal Head Bands

What is an animal adaptation?

Join me for fun and games as we learn!
