

Discover the Power of Parks Programs

Into the Night

Meet me outside the camp store and join me for a short night hike to Spruce Pond. Along the way we will explore the different senses we have and how we can use them to navigate the night.

Fur Bearers of Bear Brook

Stop by the table set up outside the Beaver Pond campground store and meet some furry friends that call New Hampshire home.

Busy Beavers

Stop by the table set up outside the Beaver Pond campground store and learn about the ecological engineers that give Beaver Pond its name.

Campfire Connections

Meet me at the baseball field in the Beaver Pond campgrounds. Cozy up to a campfire with me and share in the oral traditions of the past.

Tree-ific Trails

Join me for a morning hike around Beaver Pond and learn about the trees around Bear Brook and how to identify them. The hike is about 1.5 miles and will take around two hours to complete. Bring water, bug spray, and sturdy shoes. We will meet at the trail head by the campground beach.

Pond Explorations

Drop in at the pond and join me in the search for the critters that live just at the pond's edge. On Saturdays we will explore Beaver Pond at the campground Beach. On Sundays we will explore Catamount Pond at the day use beach.

Gazing at Stars

Meet me at the baseball field in the Beaver Pond campgrounds. Join me as we gaze at the night sky, learn about a few constellations, and hear the stories behind them.

Bear Brook by Moonlight

Meet me at the camp store and join me for a moonlit hike to Spruce Pond. Along the way we'll learn some fun facts about the brightest object in our night sky.

Building Bear Brook

Stop by the CCC museum off of Deerfield Road as you head toward Rt.28 and learn the history of the Civilian Conservation Corps and the men that built Bear Brook State Park.

Window to the Past

Stop by the Old Allentown Meeting House across the road from the CCC museum and learn the history of the building that once was the center of town.
