Dear Chairperson Thorson,

The Division of Parks and Recreation is pleased to brief the select board on the division's plans to increase parking spaces for guests with boats. Currently there are 12 parking spaces that accommodate boat trailer parking and we propose to increase the number by 10 for a total of 22. These new spaces are proposed to be constructed on the east side of the entrance road adjacent to the flagpole.

This project will be funded by the State Capital Budget and managed by the Division's Planning and Development Office. Work is expected to begin this winter with tree clearing and construction will begin in the spring. Our goal is to have the additional parking available by next summer.

Sincerely,

Philip A. Bryce
Director
