- We'll make a decision by Saturday, March 31st after looking at a long range forecast as to whether we'll close on April 15th or 22nd.
- **Cannon** is expected to hit the targeted \$369K in energy savings from investments in more energy efficient equipment including snowmaking guns.
- Cannon is rolling back 2018-2019 season pass prices to celebrate **Cannon's 80th anniversary**. Celebratory events are tentatively scheduled will be held in June and December. Check the website over the next few weeks for updates: www.cannonmt.com
- Dept of Revenue Administration is appraising **Lonesome Lake Hut** in preparation for a new agreement with AMC for their use and operation of the Hut.
- An RFP is being issued for new playground facility at **Lafayette Campground**.
- The renovations to expand the bathrooms and gift shop at the **Flume Gorge** building is nearing completion.
- **Profile Lake** walkway: Current proposal from the Legacy Fund to build an accessible path to an accessible fishing platform.

Bureau of Park Operations

Great North Woods

- 8th Annual Nansen-Milan Winter Festival on Jan. 19-21 with a Nordic ski race and many other family-oriented winter outdoor activities occurring at **Milan Hill State Park**
- 5th Annual Moose Brook Fat Bike Race on January 21st with most of the race taking place on the trails in **Moose Brook State Park** as well as on the **Presidential Rail Trail**. The renovation and shower room addition to the campground toilet building at Moose Brook State Park will be complete by May 1.
- **Jericho Mountain** doubled its retail sales by expanding and improving its product offering. ATV riders have created a demand for Jericho logo apparel and merchandise. In 2017, 5,544 visitors including those from 39 other countries signed the log book located in the warming hut, up from the 4,002 visitors who registered in 2016. The Androscoggin Valley Chamber estimates 27,000 visitors at Jericho for 2017.
- **Concession revenue** for the region, including park stores, firewood, and boat rentals, is up 30% from three seasons ago.
- Design for the new visitors center for **Umbagog Lake State Park** is 65% complete and expected to go out to bid in May. . The project will provide new restrooms, shower rooms, family bathroom, laundry room, and pot washing station. The building will be designed to allow the future installation of a new park store and park office.

Central Region

- The retail store at **Wellington State Park** is being moved to the lifeguard area in the short term so customers have a walk-in store with a wider range of product offerings. There are long-term plans to expand the store significantly.
- **White Lake** manager's house is being renovated and it has heat for the first time in more than thirteen years!
- The bridge at **Ellacoya** washed out as a result of high water due to the January thaw cycle. An RFP will be issued for new playground facility.
- NH Trails Day on July 21 will be celebrated in **Crawford Notch** through volunteer trail work in partnership with the AMC.
- Friends of the Pemi received a Spirit of New Hampshire Award from Volunteer NH for their contributions to **Livermore Falls** recreation area.
- **White Lake** is reviewing its policy regarding allowing campers to park at the beach after checkout time on Sunday. Campers are displacing other paying day use visitors, resulting in campers actually paying as little as \$10 to camp on Saturday night.
- "Swim with a Mission" will hold a major event at **Wellington** on Sat, July 14th. They raised \$370,999 gross revenue last year to support the US Navy SEAL Museum in FL, and other Veteran-related charities in the Lakes Region. They held the event on a Friday last year limiting the impact on weekend visitors.

Seacoast

- **March storm damage.** As of March 9, the Initial Damage Assessment totals \$658,000, including \$168K at **Hampton Beach**, \$275K at **North Hampton Beach**, and \$120K at **Jenness Beach**.
- Plans and bid specs are being finalized for **Jenness Beach** redevelopment and will go out to bid at the end of the month.
- F&L ranger patrolled **Hampton Beach** on 02/21 to educate dog owners of the leash and dog waste rules. New signage and educational outreach is underway.
- The Penguin Plunge drew large crowds of plungers and their supporters to **Hampton Beach** to benefit Special Olympics New Hampshire. Even Governor Sununu joined the fun!

South Region

- Winterized addition to the main toilet building at **Monadnock State Park** is expected to go to bid in September.
- In collaboration with the volunteer non-motorized user groups, the multi-year-long process to review and approve trail improvements and new construction at **Bear Brook State Park** is complete and will begin construction this year. Suggested loops have been created for equestrians and mountain bikers to reduce negative trail encounters.
- Recruitment and training of new trail work volunteers is planned for **Rhododendron** and **Winslow State Parks**.

Mount Washington

- The feasibility study for a sewage line down the Cog Railway is complete. The ESTP influent study and existing system model is 85% complete. The water system/water storage tank replacement design is 25% complete.
- A study of the communications facilities on the summit is underway with a final report due in September.

Bureau of Trails

- BOT is completing bridge repairs from the **October storm damage** and will meet with FEMA about potential reimbursement to cover the cost of repairs.
- **Councilor Kenney Ride** – Commissioner Rose, Director Bryce, the Great North Woods staff, and Bureau of Trails staff joined Executive Councilor Kenny on his annual snowmobile tour on February 16. Several leaders from New Hampshire’s snowmobile industry joined the tour of **Northern New Hampshire trails**. Our group traveled from **Coleman State Park** to the Pittsburg Border Patrol Station to the Pittsburg Ridge Runners Snowmobile Clubhouse on Back Lake Road in Pittsburg, finishing up back at Coleman State Park. Discussions included developments and improvements to area trails, information about border crossings, and the impact snowmobiling has on the North Country economy and the significant improvements to Coleman State Park.

- Trails Bureau staff are grooming **snowmobile trails** following the 03/08 storm.
- BOT staff also assists Parks with several construction projects, including **White Lake State Park** maintenance garage, **Bear Brook** equine loading ramp/platform, **Weeks** tollbooth/shed, and **Franconia's Basin** foot bridge.
