

Mt. Washington State Park Sherman Adams Visitor Center Entry Information

Reservations:

- Reservations must be made for a specific arrival window (ex 1pm-2pm) on a specific date. Reservation will allow access to the summit building for the one-hour time block. Arrival and entry can be made at any point during your hour time block. All guests will be asked to leave the building upon expiration of your hour block regardless of what time you arrive.
- Limited reservations will be available for each hour time slot.
- Those with reservations will have access to the Sherman Adams Visitor Center for the hour block of their reservation only.
- Reservation Group Size is limited to six people.

General:

- The Sherman Adams Visitor Center at the summit of Mount Washington is open daily from 8:45am-6:45pm, by Reservation ONLY.
- There is no other shelter or services available on the summit of Mount Washington other than the Sherman Adams Visitor Center
- The Sherman Adams Visitor Center will provide indoor access to rest rooms, retail and gift shop, information services, and food service.
- This is not a reservation for the Cog Railway or the Mt. Washington Auto Road. This reservation only applies for entrance into the Sherman Adams Visitor Center.
- The Mount Washington Observatory Extreme Mount Washington museum is closed.
- The Mount Washington Observatory is not providing tours of the weather station, even to their members.
- The Tip Top House is closed for the 2020 season.
- Reservation check-in is through the entryway of the Visitor Center before the interior doors of the main part of the building
- Once checked in you will have access to the Building for your reservation hour. Re-entry is permitted with ticket.
- Pets are not permitted inside the Sherman Adams Building

Refunds:

- The \$1 transaction fee is non-refundable.

COVID Guidelines:

- Masks are required while inside the Sherman Adams Visitor Center.
- Maintain a 6-foot distance between you and other guests that are not with your party at all times.
- Do not congregate around photo spots, windows, and follow directional arrows and signs in the building

Hiker Information:

- The Summit outdoor area and grounds are open and available to all without a reservation. Reservations are for indoor access and to the services provided in the Sherman Adams Visitor Center only. No other shelter is available.
- There is an outdoor water filling station near the main door of the Sherman Adams Visitor Center.
- The Mount Washington Auto Road is not currently operating or offering hiker shuttle services from the summit to Pinkham Notch.
- The Mount Washington Cog Railway may not have available seating for one-way hiker tickets as they are operating under a limited capacity at this time.
- Anyone hiking Mount Washington should be prepared to hike back down on their own. Do not assume rides

or one-way tickets will be available. Shelter and services may not be available. Hikers should turn around and hike back before the summit if the weather, visibility, or other safety reasons become a concern.

Food Service and Retail:

- Food service may be limited to packaged foods on certain days, with hot foods like soup, chili, and pizza not being available.
- Indoor seating is available, but limited.
- The Retail Shop and Food Service will be one way in, one way out. Please look for entry signage for direction.
- Credit Cards are encouraged. (Visa, MasterCard, Discover).
